Pelican Point Golf Club
2018 Junior Summer Program

Dear Parents,

Welcome to an overview of the 2018 Junior Golf and Tennis program. Thank you to all of those who participated last year and those newly interested in this year's program. The Golf Professional Staff believes in placing Junior Golf and Tennis at the forefront of Pelican Point Golf Club's programming. We greatly appreciate your dedication and contributions towards making Pelican Point Golf Club's Junior Golf and Tennis Program a premier program in the region.

The mission of the Junior Golf and Tennis Program is to enhance the enjoyment, knowledge, and appreciation of the game for everyone involved. The Professional Staff at Pelican Point Golf Club will bring a passion for growing the game of golf among juniors. Not only will we advocate the core fundamentals of the game but also the traditions and etiquette. Steps that will be taken to increase participation and overall enjoyment of the game for the club's junior golfers will include offering a wide variety of instruction as well as a large emphasis on development.

In this packet, you will find an outline of the Pelican Point Junior Golf and Tennis Program. The core elements will be the Junior Golf and Tennis camps running on select weeks Monday – Thursday and smaller golf only clinics. We will also provide essential information regarding PGA Junior League.

For any and all programs you wish for your junior to attend, please see the registration form at the end of this packet. Non-Full Golf Members (Associate or Anniversary) are welcome to sign up for any offerings that are of interest. Thank you and let's have a great summer!

Additional Opportunities

The purpose of PGA Junior League is to better socialize the game for boys and girls ages 13 and under. The team competition will be a scramble format as opposed to stroke-play competition. This is a great way to get kids involved in the game.

Pelican Point Golf Club has teamed up with some of the best venues in Louisiana to be apart of our league, some of the venues that we will play and competing against include Baton Rouge Country Club, Country Club of Louisiana, The Island, The University Club Plantation and Greystone. At the end of the season, an All-Star team will be selected for a chance to participate in the National Championships.

Pelican Point Golf Club is currently putting together one (1) team of 12 players and Parent Coaches for 2018 season. Interested players must be 13 years and younger as of July 31st, 2018. Parent Coaches will have the responsibility of transportation to and from events.

Please, note that the Pelican Point Golf Club staff cannot register your children. Parents must register children online starting February 20th with a deadline of March 20th. You can register at pgajuniorleague.com

Teaching Philosophy

My passion is golf! I enjoy helping my students improve their games almost as much as I enjoy playing golf myself. Whether it be introducing a beginner to the thrill of a purely-struck shot, watching active players progress and improve their games or helping a competitive golfer prepare for their next competition. The most important role I have as a golf instructor is to make sure you understand the reason we are making the change and educate you on the golf swing. By ensuring that you fully understand how your golf swing works, your path to a more successful game becomes much easier.

Everyone has their own unique golf swing. I don't believe everyone will be able to swing a golf club the same way. Therefore, I focus on fundamentals, and staples in a swing that mostly remain the same from person to person, working around his or her physical abilities. I like to teach my students how to play their shots, and not fight their natural swing plane. Work ethic is key in the development of a golf swing, and I also help my students understand how much time will have to be dedicated to reaching their goal.
